DSHA HONORED WITH FIFTEENTH CONSECUTIVE NATIONAL ACCOUNTING & FINANCIAL REPORTING AWARD

The Delaware State Housing Authority (DSHA) has been honored by the Government Finance Officer's Association of the United States and Canada for outstanding financial reporting. DSHA's Comprehensive Annual Financial Report earned a Certificate of Achievement for the fifteenth consecutive year.

We are constantly striving for excellence in the area of governmental and financial reporting, and this recognition shows that we are achieving our goals," said Governor Jack Markell. "Since this award is the highest honor of its kind, we know our Housing Authority is communicating financial information with clarity, completeness and context."

According to DSHA Director Anas Ben Addi, "This award represents a significant accomplishment by our agency and the state government. My staff deserves this acknowledgment, and I want to publicly thank them for fifteen years of outstanding work."

DSHA's Report was judged by an impartial panel for demonstrating the ability to clearly communicate the agency's financial story and to motivate potential users and user groups to read the document.

Celebrating more than 40 years of service, DSHA is charged with efficiently providing, and assisting others to provide, quality affordable housing opportunities and appropriate supportive services, to responsible low- and moderate-income Delawareans.
