Thanks to Dover Realtors' Turkey Drive, 100 Families Celebrate the Holidays

For the third year in a row, one hundred families who reside at Delaware State Housing Authority (DSHA) sites in Kent and Sussex Counties have enjoyed their own Thanksgiving Dinner, compliments of EXIT 1st State Realty. Each family receives a turkey and all the fixings. Dave Staley and his staff raise funds from outside sources, but most of the donations come from the employees themselves.

DSHA Director Sandy Johnson expressed her appreciation to the staff of EXIT 1st State Realty: "All of us at DSHA, especially the residents, appreciate your hard work in raising funds and purchasing the turkeys to bring happiness to the families of our housing sites. Your generosity of time and spirit is truly blessed."

For more information on the Annual Turkey Fund Drive, please contact Dave Staley or Clyde McIntyre, EXIT 1st State Realty, (302) 346-5000.
