150 DSHA Resident Families Enjoyed Thanksgiving Dinners Donated by Dover Realtor

The 2006 Thanksgiving Holiday was truly blessed for one hundred fifty families residing at Delaware State Housing Authority (DSHA) sites in Kent and Sussex Counties - compliments of the staff at EXIT 1st State Realty, Dover. Each family prepared their own Thanksgiving Dinner from a bin filled to the brim with a turkey and all the fixings. It's become an annual tradition for EXIT 1st State. For the past three years they have held a turkey drive among the staff, their clients and business associates. This year, they exceeded their fundraising goal by 50 percent, enabling them to help 50 additional low-income families.

DSHA Director Sandy Johnson expressed her appreciation to the staff of EXIT 1st State Realty. "All of us at DSHA, especially the residents, appreciate your hard work in raising funds, shopping for the turkeys and fixings, and packing 150 large bins to bring happiness to the families at our housing sites. Your generosity of time and spirit is truly blessed."

For more information on the Annual Turkey Fund Drive, please contact Dave Staley or Clyde McIntyre, EXIT 1st State Realty, (302) 346-5000.
