DSHA HONORED WITH TENTH CONSECUTIVE NATIONAL ACCOUNTING & FINANCIAL REPORTING AWARD

The Delaware State Housing Authority (DSHA) has been honored by the Government Finance Officer's Association of the United States and Canada for outstanding financial reporting. DSHA's Comprehensive Annual Financial Report earned a Certificate of Achievement for the tenth consecutive year.

According to DSHA Director Sandy Johnson, "This award is among the highest of accolades in the area of governmental accounting and financial reporting. Its attainment represents a significant accomplishment by our agency and state government."

DSHA's Report was judged by an impartial panel for demonstrating the ability to clearly communicate the agency's financial story and to motivate potential users and user groups to read the document.

Celebrating more than 35 years of service, DSHA is charged with efficiently providing, and assisting others to provide, quality affordable housing opportunities and appropriate supportive services, to responsible low- and moderate-income Delawareans.
