## PART I

## INTRODUCTION

## DELAWARE STATE HOUSING AUTHORITY

The Delaware State Housing Authority (the "Authority") was created in 1968. Effective July 2, 1998, the Authority was reestablished as an independent authority in the Executive Department of the State, reporting directly to the Governor of the State.

The Authority has the power, among other things, to make mortgage loans and other loans to not-for-profit and limited-profit housing sponsors; to acquire, manage and operate real and personal property in the State; to build housing for sale or rent at affordable prices to low and moderate income persons; to make mortgage loans to mortgage lenders requiring the proceeds thereof to be used by such mortgage lenders for the making of new residential mortgage loans; to purchase mortgage loans from mortgage lenders; to establish (and revise from time to time) and charge and collect fees and charges in connection with such programs; to issue its bonds and notes and to provide for and secure the payment thereof and to provide for the rights of the holders thereof; and to do any and all things necessary or convenient to carry out its purpose and exercise the powers granted in the Act. The Authority has no taxing power.

## SINGLE FAMILY MORTGAGE REVENUE BOND PROGRAM

The Authority has offered the Single Family Mortgage Revenue Bond (SFMRB) Program since 1979. Under the SFMRB Program, the Authority issues tax-exempt mortgage revenue bonds and uses the proceeds to purchase from qualified lenders, below market interest rate mortgages. Mortgage loans purchased by the Authority must be made to first-time homebuyers who are income eligible. The Authority underwrites all loans to ensure compliance with the requirements imposed by the Code before purchasing.

As of September 30, 2021, the Authority has issued 50 series of bonds for $\$ 2,739,964,219$ of which $\$ 28,125,454$ were outstanding as of such date. These funds were used to purchase 13,837 mortgage loans totaling $\$ 823,465,142$ and 1518 mortgage backed securities totaling $\$ 1,406,214,971$.

## FAMILY ASSISTED INTEREST RATE PROGRAM

The Family Assisted Interest Rate (FAIR) Loan Program, was offered as a feature of the Single Family Mortgage Revenue Bond (SFMRB) Program which, provided 30 year mortgages at rates which where lower than the regular SFMRB Program rates and where substantially below conventional lending rates for qualified first-time homebuyers. The Program specifically targeted very-low income families who were ready for homeownership, but who were unable to qualify for the otherwise available SFMRB money.

To make this pool of money available at interest rates approximately one to one and one half percent lower than the SFMRB rates, the Authority used a cross subsidy structure. Local lenders purchased subordinated bonds within the SFMRB issue to cover the prepayment risk associated with the cross subsidy structure.

All FAIR loans are FHA insured.

## SECOND MORTGAGE ASSISTANCE LOAN PROGRAM

The Second Mortgage Assistance Loan (SMAL) Program was created in 1989 for the purpose of providing downpayment and closing cost assistance to low- to moderate-income Delawareans. The SMAL Program now provides up to $\$ 8,000$ in downpayment and closing cost assistance to qualified borrowers in the form of a deferred payment second mortgage. Originally offered only in conjunction with the SFMRB Program, the SMAL Program was restructured as a stand alone program which required participating lenders to offer a below market first mortgage to SMAL loan borrowers. The interest rate on the mortgages is $3 \%$ currently. In 2008 DSHA restructured the SMAL program to only be used in conjunction with the SFMRB program.

## MULTI-FAMILY MORTGAGE REVENUE BOND PROGRAM

Under the Multi-Family Mortgage Revenue Bond (MFMRB) Program, the Authority issues Mortgage Revenue Bonds to finance loans made to non-profit and limited profit housing sponsors for construction or substantial rehabilitation, and subsequent permanent financing of housing. Designed for low and moderate income persons and families or elderly persons, the Program operates generally in conjunction with the federally assisted Section 8 Program. Since the authorization of the Low Income Housing Tax Credits (LIHTC) in the 1986 Tax Reform Act, the Authority has allocated tax credits to qualified projects being financed through the MFMRB Program. The LIHTC Program facilitates the construction and development of quality low-income rental housing by providing investors in low-income housing a dollar-for-dollar reduction in their federal income tax liability.

As of September 30, 2021 the Authority has issued 19 series of MFMRB bonds for $\$ 270,165,000$ of which $\$ 0$ was outstanding as of such date. These funds were used to finance the construction or rehabilitation of 31 projects totaling 2,900 units.

## NOTE:

1) Under CURRENT RATING in the disclosure statements, Moody's rating is listed first, and then Standard \& Poor's rating is listed. If a third rating appears, that rating was assigned by Fitch Investor Service.
2) The pool insurer, Commonwealth Mortgage Assurance Company (CMAC), merged with Amerin on June 10, 1999 and is now doing business as Radian Guaranty, Inc.

## Description of Program

Delaware State Housing Authority's (DSHA) Second Mortgage Assistance Loan (SMAL) program provides downpayment and closing cost assistance to qualified first-time homebuyers. The assistance is in the form of a second mortgage loan with a maximum of $\$ 10,000$. The mortgage loans originated have one of the following interest rates: $0 \%$ or $8 \%$ simple, or $6 \%$ compounding. The second mortgage is a lien against the property with monthly payments deferred until (1) the first mortgage is paid off; (2) the property is sold or transferred; or (3) the property is no longer the borrower's primary residence. However, borrowers can voluntarily repay at any time with no prepayment penalty.
