

(a) a home office or other property used solely and on a regular basis in connection with a trade or business (either as an employee or a self-employed person) or for the purpose of meeting patients, clients or customers in the normal course of conduct of a business;

(b) a place where inventory, held for use in a retail or wholesale business the sole fixed location of which is the Residence, is regularly stored;

(c) a place for conducting on a regular basis a trade or business of providing day care services for children, for individuals who are age sixty-five or over, or for individuals who are physically or mentally incapable of caring for themselves; and

(d) except in the case of a two-to-four family Residence, rental to any person for a period in excess of fifteen (15) days in any calendar year.

4. All land being financed with the mortgage loan is required to maintain basic livability of the Residence and will not provide (me/us) a source of income. No land can be separated from the land being financed and offered for sale as a separate residence or building lot without obtaining a subdivision approval.
5. No portion of the moneys received by (me/us) from the mortgage loan is intended to be used to purchase any personal property other than fixtures which are considered a necessary part of the Residence under the laws of the State of Delaware.
6. The Residence contains a single residential unit or multiple residential units suitable for occupancy by two, three or four families, in which case the (I/we) occupy one of the residential units. If the Residence is for two-to-four families, to the best of my knowledge, the Residence was first occupied as a residence at least five (5) years prior to the date of this affidavit. The Residence is a complete residential unit and includes all fixtures necessary for the occupancy of the Residence. To the best of my knowledge, no law forbids the occupancy of the Residence.
7. (I/We) have not purchased the Residence for purposes of resale and will not allow the mortgage loan on the Residence to be assumed unless permitted by the mortgage insurer or guarantor and, if applicable, the Delaware State Housing Authority.
8. Except for the additional undersigned parties (if any), (I am/we are) the only person(s) acquiring an ownership interest in the Residence.
9. Other than a construction loan or similar temporary financing with a term not exceeding twenty-four (24) months, (I/we) have not had a mortgage (whether or not paid off) on the Residence at any time prior to the execution of the mortgage loan.
10. (I am/We are) familiar with the Program's limits with respect to the purchase prices of Residences. The purchase price of the Residence is within the applicable limit. In determining the purchase price, (I/we) have included the total amount to be paid by (me/us), or by anyone related to (me/us) or acting on (my/our) behalf, to the seller of the Residence, or to anyone related to the seller or acting on the seller's behalf, in connection with the purchase of the Residence and any other property being acquired

at the same time as the Residence. This amount includes money to be paid and the full value of any goods or services to be provided. This amount does not include the cost of any land (I/we) owned for at least two (2) years prior to the date on which construction of the Residence began, nor usual and reasonable settlement or financing costs, such as title and transfer costs, title insurance, survey fees, credit reference fees, legal fees, appraisal expenses and “points” which are paid by the buyer.

11. The maximum purchase price amount for a new or existing Residence is:

Residence Location	Purchase Price Limit	
	Non-Targeted	Targeted
New Castle County	\$571,946	\$699,045
Kent County	\$510,939	\$624,481
Sussex County	\$510,939	\$624,481

12. (I am/We are) familiar with the Program’s Annual Household Income limits applicable in connection with the purchase of a Residence. (I/we) understand that the Annual Household Income means the current annualized family income at the time of closing, as determined in accordance with applicable IRS rules. Current Annual Household Income means the gross monthly income, multiplied by 12, of (i) each mortgagor (including any person who has signed the promissory note and/or the mortgage), regardless of whether such mortgagor lives in the Residence, and (ii) any other person who is expected to live in the Residence and be secondarily liable on the mortgage. Gross monthly income includes the sum of current monthly gross pay and any additional income from investments, pensions, VA compensation, part-time employment, bonuses, dividends, interest, current overtime pay, net rental income, royalties, etc. Other income must also be included such as alimony and child support, public assistance, sick pay, social security benefits, unemployment compensation, and income received from trusts, business activities or investments.

13. The Annual Household Income Limits for a Residence are:

Residence Location by County	1-2 Person Households	3+ Person Households
New Castle County –Non-Targeted Area	\$119,400	\$143,280
New Castle County –Targeted Area	\$137,310	\$167,160
Kent or Sussex Counties Non-Targeted Area	\$108,800	\$130,560
Kent or Sussex Counties Targeted Area	\$125,120	\$152,320

14. To the best of my/our knowledge, information and belief (but without any independent investigation on my/our part), title and transfer costs, title insurance and other insurance costs, application fees, survey fees, credit reference fees, legal fees, appraisal expenses, broker fees, “points” paid by (me/us) (but not “points” paid by the seller) and similar settlement or financing costs are of a usual and reasonable amount and are not in excess of the amount typically charged in the area of the Residence in connection with the acquisition of residences by home mortgage financing.

15. (I/We) have not had a present ownership interest² in a principal residence, including a mobile home or factory-made housing permanently fixed to real property, at any time during the three-year period immediately prior to the closing on the mortgage loan.

a. The following is a list of all the residences in which (I/we) have lived, either separately or together, **during the three-year period immediately prior to the application for a mortgage loan:**

b. Qualified Veterans are **not** subject to the First-Time Homebuyer Requirement described above in this Section 15. The definition of “Qualified Veteran is in the next paragraph. CHECK HERE IF YOU ARE A QUALIFIED VETERAN: ☐.

A “qualified veteran” is a person defined in 38 U.S.C. ²The term “present ownership interest” includes not only outright ownership but also any of the following interests if held either directly by you or in trust for you: a joint tenancy, a tenancy in common, a tenancy by the entirety, a community property interest, the interest of a tenant-shareholder in a cooperative, a life estate, or a contract pursuant to which you have possession and the benefits and burdens of ownership although legal title is not transferred until sometime later.

17. (I/We) understand that this Affidavit will be relied upon by DSHA for purposes of determining that the mortgage loan does not cause a violation of any of the requirements of DSHA's Homeownership Loan Program (including the requirements of the Internal Revenue Code relating to such program). (I/We) warrant that all of the information in this affidavit is true, correct, and complete and based upon information (I/we) consider to be reliable, (I/we) authorize its use for such determination, and hereby waive the protection of any acts for the protection of my privacy to the extent that those acts would prohibit the use of the document for such determination.

PART II - RECAPTURE NOTIFICATION

You have applied to Delaware State Housing Authority ("DSHA") for a loan to be financed with tax-exempt bond funds. You are hereby notified that current federal tax law may require a payment to the federal government of any "mortgage subsidy recapture" amount upon the sale, transfer or other disposition of your home. You will be required to pay a recapture tax equal to a portion of the loan amount if you sell or otherwise transfer your home to someone else within the first 9 years of your Mortgage Loan. The recapture tax may not exceed, in any event, 50% of the gain realized on sale, transfer or other disposition.

You may not have to pay part or all of the recapture amount if your income at the time of sale, transfer or other disposition, is less than a prescribed amount, or if the sale, transfer or other disposition arises as a result of your death. There is no way to predict your exact tax liability since it is based on when you sell or transfer your home, your gain from the disposition, and income and family size at the time of disposition. Moreover, because the U.S. Congress may at any time enact legislation amending the current federal tax law, the requirement (if any) affecting your Mortgage Loan at the time of closing may be different from that described above. You will be given final notice concerning this recapture tax either at the closing of your Mortgage Loan or within a short time thereafter. Consult your tax advisor or local IRS office for further information.
